Hi David,

Just wanted to let you know that we processed the final payment today. We also wanted to say thank you to Scott and the rest of the guys who worked on our house. We were really pleased with the quality of their work. They were always really friendly and a pleasure to deal with - nothing was too much trouble. It was so pleasing to meet tradesman who really cared about their work. Great job cleaning up too!

Thanks again. We wouldn't hesitate to recommend you and your team.
