**Subject:** Thank you! - For work done on 2 Roby Crt, Greensborough

Hi David,

I would just like to take the time to thank you and your marvellous team for the exterior painting you have just completed at 2 Roby Court in Greensborough.

We are extremely happy with the end result, and the quality and professionalism that you and your team bring with you is outstanding. After having dealt with numerous trades people now over the past few months, it is very refreshing to see such great workmanship and customer service! Through the whole process your communication has been excellent, and you and your staff were always here when they said they would be, and extremely polite to deal with also.

Once again, many thanks for a job well done, and I will be highly recommending your services to anyone requiring painting.

Regards,  
Daniela Dimech
